

FOR COOL-SEASON CALIFORNIA TURF MORE PROTECTION. LESS WATER.

This spring, prepare your turf for stress that'll come its way – from disease to drought. CIVITAS TURF DEFENSE™ is more than a fungicide and insecticide. It's a plant protection product listed for organic use, working within the plant to produce strong, healthy turf that requires less water.

CIVITAS TURF DEFENSE HELPS YOU:

- Reduce water usage by up to 25%.
- Protect turf with no known pathogen or insect resistance issues.
- Delay leaf senescence and increase turf health.
- Improve tolerance for drought and traffic stress.
